Marina, Lagos State.

Dear Sir,

APPROVAL OF ENVIRONMENTAL IMPACT ASSESSMENT (EIA) REVALIDATION FOR FORCADOS-YOKRI INTEGRATED PROJECT (NON-ASSOCIATED GAS WELL)

We acknowledge receipt of your letter dated December 5, 2018, referenced SPDC-HSE-2018-0695L transmitting the updated EIA report of Forcados-Yokri Integrated project (Non-Associated Gas Well).

- Following the outcome of the Joint Review Workshop and our review of the re-submitted Environmental Impact Assessment (EIA) revalidation report, the Department is pleased to convey to you our **approval** of the report as revised. Please note that this approval shall remain valid until **July 7, 2021**, considering that the data used in the report preparation was acquired between June 22 and July 8, 2018.
- For the avoidance of doubt, please note that this EIA revalidation approval is for the drilling of one NAG Well, the associated hook-up & commissioning activities and operations only.
- Furthermore, the approval is granted on the condition that the mitigation measures you proffered for managing the identified potential impacts of the project and the environmental management plan for the residual impacts shall be fully implemented, as committed to, in the report.
- Please note that any change in the scope of activities for which this Environmental Impact Assessment is issued nullifies this approval. In the event of such occurrence, you are expected to seek and secure the approval of the Director of Petroleum Resources.

Yours faithfully,

Balogun, A. A.

For: Director, Petroleum Resources
